Hoteli Zadar d.d.

Zadar je drevni grad sagrađen na središtu hrvatskog Jadrana, a obiluje povijesnim i kulturnim znamenitostima. Star tri tisuće godina, grad duge, burne i dinamične povijesti, često rušen, pljačkan, razaran, svaki je put iz ruševina nicao jači, ljepši i bogatiji. U povijesti se Zadar prvi put javlja u 4. st. pr. Kr. kao naselje ilirskog plemena Liburna-spominje se oblik imena Jader, a prolazeći povijesni put ime se mijenja u Idassa (grčki izvor), Jadera (rimski izvor), Diadora, Zara (za vladavine Venecije i kasnije Italije) do današnjeg imena Zadar.

Nedaleko od povijesnih znamenitosti starodrevnog Zadra, u mirnom i slikovitom predjelu grada, uz istoimeno šetalište s pogledom na Zadarski kanal i otoke, nalazi se **HOTEL KOLOVARE**.
